

New complete in one volume, elegantly bound for the drawing-room table, 6s. price 10s. BUILDINGS AND MONUMENTS, MODERN AND MEDIEVAL; Being Illustrations of the Edifices of the Nineteenth Century, and of some of the Architectural Works of the Middle Ages.

OPINIONS OF THE PRESS. The bold and efficient work which has so far appeared in this series has been the result of our excellent contemporary illustrations. It will, we are sure, be very acceptable to such as will prefer to see the drawings of the buildings as they are, rather than as they are represented in the drawings of the architects.

The bold and efficient work which has so far appeared in this series has been the result of our excellent contemporary illustrations. It will, we are sure, be very acceptable to such as will prefer to see the drawings of the buildings as they are, rather than as they are represented in the drawings of the architects.

It is a pleasure to see that the illustrations of the buildings are so well adapted to the requirements of the drawing-room. The illustrations are so well adapted to the requirements of the drawing-room that they will be found to be of great value to all who are interested in the history of architecture.
